

The Greyhound Guild

Promoting the Adoption of Retired Racing Greyhounds

We are an Arizona non-profit group of volunteers dedicated to promoting the adoption of retired racing greyhounds through education, fund-raising, and historical re-enactment.

The Greyhound Guild takes part in numerous events, mainly in Arizona, during the year. Dressed for the event, in costume or not, and with our greyhounds in tow, Guild members spread the word about these wonderful hounds, collect donations, and distribute contact information to those interested in adoption.

Many able groups in our state and across the country do an excellent job with adoptions. Our goal is to support their efforts.
